Let's be glad and full of cheer

2. When at last the school day ends,
home I'll go with all my friends.

3. I will shine my shoes so bright,
so St. Nick will come tonight.

4. When I sleep, I'll dream of him
and the lovely things he'll bring.

5. When I wake, I'll run and see,
what St. Nick has left for me.

6. Thankful I will always be,
that he's been so good to me.
