Let us count the eggs in-side, there are one, two, three. Moth-er bird sits on the nest, to hatch the eggs, all three. Fa-ther bird flies round and round, to guard his fam-i-ly.'

1. We will find a little nest,
in the branches of a tree.
Let us count the eggs inside,
there are one, two, three.
2. Mother bird sits on the nest,
to hatch the eggs, all three.
Father bird flies round and round,
to guard his family.
