Doo doo doo ...

B

Well you done done me and you bet I felt it
 I tried to be chill but you're so hot that I melted
 I fell right through the cracks, now I'm trying to
 get back

Before the cool done run out I'll be giving it my
 bestest
 And nothing's going to stop me but divine
 intervention
 I reckon it's again my turn to win some or learn
 some

C

But I won't hesitate no more, no more
 It cannot wait, I'm yours

D

Doo doo doo ...
 Hey - ey - ey He - y - ey

E

Well open up your mind and see like me
 Open up your plans and damn you're free
 Look into your heart and you'll find
 love love love love

Listen to the music of the moment people,
 dance and sing
 We're just one big family
 And it's our God-forsaken right to be
 loved loved loved loved loved

F

So I won't hesitate no more, no more
 It cannot wait, I'm sure
 There's no need to complicate, our time is short
 This is our fate, I'm yours

G

D-d-do do you, but do you, d-d-do
 But do you want to come on
 Scooch on over closer dear
 And I will nibble your ear

H

I've been spending way too long checking my
 tongue in the mirror
 And bending over backwards just to try to see
 it clearer
 But my breath fogged up the glass
 And so I drew a new face and I laughed

I guess what I be saying is there ain't no better reason
 To rid yourself of vanities and just go with the seasons
 It's what we aim to do, our name is our virtue

I

But I won't hesitate no more, no more
 It cannot wait, I'm yours

J

Come on and open up your mind and see like me
 Open up your plans and damn you're free
 Look into your heart and you'll find that the
 sky is yours

So please don't, there's no need
 There's no need to complicate
 'Cause our time is short
 This is, this is, this is our fate

I'm yours
